HAZARD MITIGATION RESOURCES

REPAIR. RETROFIT. REBUILD SAFER AND STRONGER.

How can mitigation help you recover?

Flooding and tornadoes can cause costly and massive destruction to homes, property, and human life. Mitigation includes long-term solutions that reduce the impact of future disasters.

If you have additional questions regarding mitigation or flood insurance, call 833-FEMA-4-US (833-336-2487) or email FEMA-MIMIT@fema.dhs.gov

FEMA collects and maintains personally identifiable information (PII) of individuals with inquiries about Hazard Mitigation and NFIP Programs. If you provide any PII in contacting us, we would only use it for the purpose of responding to your inquiry in accordance with the Hazard Mitigation Grant Program (HMGP) PIA, DHS/FEMA/PIA-011(a) National Flood Insurance Program PIA, Privacy Act of 1974, the E-Government Act of 2002 and the Federal Records Act
