Re: **2009 Grinder Pump Station Pricing Increase**

At the regular meeting of the Hamburg Township Board of Trustees on August 18, 2009, the Board passed a motion to increase the pricing of the Simplex grinder pump stations to \$2,750.00 per unit.

An excerpt of the Township Board minutes is attached below:

Hohl stated the Township has been able to negotiate concessions on Pump prices, which makes the pumps that are bought out of inventory from the Utilities Committee to be priced at \$2,750.00 each.

Motion by Hohl, supported by Semprevivo to adopt the new Simplex Grinder Pump station pricing of \$2,750.00 per unit, as presented by the Hamburg Township Municipal Utilities Committee Meeting of 8/5/09, as outlined in memo dated 8/6/09.
